Re: Parkland Utilities, Inc.;
     PSC Docket No. 931141-WS
     Petition for Gross-up Authority
     Our File No. 21206.01

Dear Mr. Tribble:

In accordance with Staff's request, we're hereby waiving the 60 day processing requirement on our filing in the above referenced matter. This is done in order to allow the staff of the Commission time to finalize the generic revisions to the full gross-up formula to be incorporated in the specific approval of gross-up authority for Parkland.

We must re-emphasize as outlined in the initial pleading that time is of the essence in this matter and that we request that the Commission and its staff work expeditiously to provide at least some sort of temporary authority under whatever full gross-up formula is applicable so that this Utility can move forward with service to this Developer. The Developer has previously executed an Agreement, agreeing to full gross-up authority and is most likely the only customer of this Utility ever to be effected by it. In addition, the full gross-up has already been funded into escrow and both the Utility and the Developer are eager to move forward.
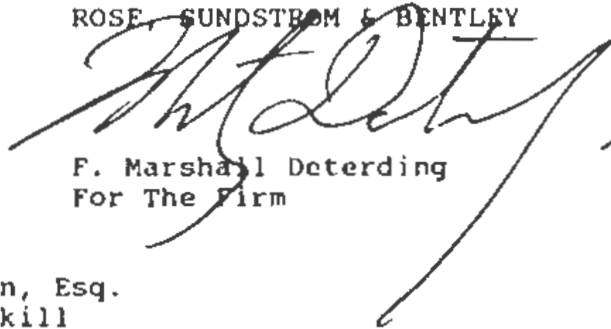

We appreciate the Commission and its staff's expeditious handling of this matter.

Sincerely,

ROSE, SUNDSTROM & BENTLEY
