Re: Docket No. (911034-TL) - Prehearing Statement on Issue No. 32a

Dear Mr. Tribble:

Please allow this letter to serve as the prehearing statement of the Broward County Board of County Commissioners on Issue No. 32a in the above-referenced docket.

We have been informed by staff counsel for the Public Service Commission that the filing deadline for this prehearing statement was December 6, 1993, per order of the Commission entered in April, 1993, in Docket No. 920260-TL. We were unaware of this deadline, however, as Docket No. 911034-TL was consolidated with Docket No. 920260-TL et al., per Commission order on September 8, 1993, subsequent to entry of the April, 1993, order setting procedural dates.

The Board of County Commissioners will neither attend nor present evidence at the procedural hearings scheduled to commence on January 6, 1994. Rather, the Board requests that the Public Service Commission continue Issue No. 32a pending staff receipt and review of traffic study data scheduled to be filed December 8, 1993.
