Re: Customer meeting at Carriage Village Landowner's Association, Inc.

Dear Mr. Grobb:

This letter is to follow up our telephone conversation on January 13, 1994. As I indicated, the Public Service Commission staff will be holding a customer meeting on Thursday, January 27, 1994 at 7:00 p.m. at the Carriage Village Clubhouse. The address is 5451 Bayshore Road, North Ft. Myers, FL. The purpose of the meeting is to discuss the application of North Ft. Myers Utility, Inc. (NFMU) for an amendment to include the territory held by Carriage Village Homeowner's Association, Inc. and to discuss the limited proceeding to conform the rates and charges which are charged to the residents of that utility to those charged to all the other customers of NFMU. Questions may arise concerning the environmental aspects of the interconnection such as the condition of the NFMU plant, the condition of the Carriage Village plant and whether or not each plant is currently in violation of any DEP standards. We are requesting that you or another member of your area attend our meeting so that if any of these concerns are raised by the customers, we will have someone in attendance who is knowledgeable in regard to these issues. Please contact me at your earliest convenience as to whether or not you will be attending. I may be reached at (904) 488-8482 or Suncom 278-8482.
