IN RE: Fuel And Purchased Power) DOCKET NO. 940001-EI
Cost Recovery Clause And Generating)
Performance Incentive Factor) FILED: JANUARY 25, 1994

FLORIDA POWER & LIGHT COMPANY'S
RESPONSE TO PETITION FOR INTERVENTION

Florida Power & Light Company ("FPL") hereby responds to the Petition For Intervention filed in this Docket by the United Mine Workers of America and says:

1. FPL is an electric utility subject to the Commission's jurisdiction and is a party to Docket No. 940001-EI on a continuing basis because of the recovery of fuel and purchased power costs and the application of the GPIF to it.

2. It appears that the Petition by the United Mine Workers of America seeks only to pursue issues as to a utility other than FPL.

3. To avoid needless confusion and unnecessary duplication of costs and efforts, FPL requests that any intervention granted for the United Mine Workers of America as currently requested not include FPL.

WHEREFORE, FPL hereby files this its response to the Petition for Intervention in this Docket by the United Mine Workers of

America and asks that intervention, if any, be limited so as not to include the interests of FPL.

Respectfully submitted,
