ORDER GRANTING PETITION TO INTERVENE

BY THE COMMISSION:

By Petition filed March 10, 1993, the St. Johns River Water Management District (St. Johns) by and through its attorney, Jennifer L. Burdick, requests leave to intervene in this proceeding. In support of its Petition, St. Johns states that as the agency authorized to promote water conservation it has issued four consumptive use permits to Sanlando Utilities Corporation (Sanlando) which relate to this matter. St. Johns wishes to intervene in order to support the implementation of Sanlando's water conservation plan. No response in opposition to the Petition has been filed.

Having reviewed the Petition, it appears that St. Johns' substantial interests may be affected by this proceeding. Therefore, the Petition should be granted. Pursuant to Rule 25-22.039, Florida Administrative Code, St. Johns takes the case as it finds it.

Based on the foregoing, it is, therefore,

ORDERED by the Florida Public Service Commission that the Petition to Intervene, filed by the St. Johns River Water Management District, is hereby granted. It is further

ORDERED that all parties to this proceeding shall furnish copies of all testimony, exhibits, pleadings and other documents that are hereinafter filed in this proceeding, to:

Jennifer L. Burdick  
Attorney for St. Johns River  
Water Management District

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural, or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas, or telephone utility, or the First District Court of Appeal in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
