ORDER INDICATING NONJURISDICTIONAL STATUS
OF JOHN L. SCHNORR AND CLOSING DOCKET

BY THE COMMISSION:

On January 28, 1994, John L. Schnorr filed an application with this Commission for recognition of its nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. Mr. Schnorr is in the process of relocating his business, Dixie Metals, Inc., to 442 Southwest 54th Court in Ocala, Florida. The property in Ft. Lauderdale where his business was previously located was taken for airport expansion.

In order to construct the water system at the new location in Ocala, Mr. Schnorr must get a permit from the Department of Environmental Protection (DEP). Prior to issuance of the permit, however, Mr. Schnorr must obtain an Order from this Commission recognizing his exempt status. As stated previously, Mr. Schnorr filed the application for exemption from Commission Regulation on January 29, 1994. Mr. John L. Schnorr, Owner and primary contact person, filed the application.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water

or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060(2) and (3)(j), Florida Administrative Code. According to the application, water service is provided only to 442 Southwest 54th Court in Ocala, there is no charge for providing the service, and all costs of providing service are treated or recovered as operational expenses. Wastewater service is provided by septic tank.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Schnorr acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based on the facts as represented, we find that Mr. Schnorr is not a utility pursuant to the provisions of Section 367.021(12), Florida Statutes. Accordingly, Mr. Schnorr is not subject to this Commission's jurisdiction. However, should there be any change in circumstances or method of operation, the owner of the water system at 442 Southwest 54th Court in Ocala or any successors in interest, must inform the Commission within 30 days of such change so that its nonjurisdictional status may be reevaluated.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, John L. Schnorr, 85 Southwest 52nd Avenue, Ocala, Florida 34474, is not a water utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. It is further

ORDERED that Mr. John L. Schnorr is only exempt from Commission regulation for the water system located at 442 Southwest 54th Court, Ocala, Florida. It is further

ORDERED that should there be any change in circumstances or method of operation, the owner of the water system at 442 Southwest 54th Court, Ocala, Florida, or any successors in interest, shall inform this Commission within 30 days of such a change so that we may reevaluate Mr. Schnorr's nonjurisdictional status. It is further

ORDERED that this Docket is hereby closed.

By ORDER of the Florida Public Service Commission, this 2nd
day of March, 1994.
