ORDER APPROVING TARIFF FILING

BY THE COMMISSION:

By Order No. PSC-93-0289-FOF-TL, issued February 23, 1993, this Commission ordered the four largest local exchange companies (LECs) to file coin line tariffs for non-LEC pay telephone service providers (NPATS), on or before October 4, 1994. On July 28, 1993, BellSouth Telecommunications, Inc. d/b/a/ Southern Bell Telephone and Telegraph Company (Southern Bell or Company) filed the first such proposed tariff to introduce a coin line service to pay telephone providers.

A coin line is an access line which provides pay telephone instruments with features and functions, such as call screening and blocking, call rating and recording and coin return, from the LEC's central office. Historically, NPATS have had to rely on "smart" phones, which have such features programmed directly into the payphone, while LECs have been able to provide pay telephone service through coin lines using less expensive "dumb" telephones.

United Telephone Company of Florida (United) and Central Telephone Company of Florida (Centel) propose to offer coin line service at \$35.00 per month, plus usage charges currently in force for regular NPATS access lines (\$0.03 1st min., \$0.015 each

additional minute). This is above its projected incremental costs of \$29.15, and is comparable to the usage rate option for Southern Bell's Coin Line Service.

United and Centel also propose to waive the nonrecurring charges associated with transferring the non-LEC PATS Provider's lines to this service.

Upon consideration, it appears that the United and Centel proposed coin line tariffs comport with the requirements of Order No. PSC-93-0289-FOF-TL. Moreover, the proposed rates will provide some contribution towards other costs. Accordingly, the United and Centel proposed coin line tariffs are approved, with an effective date of April 11, 1994.

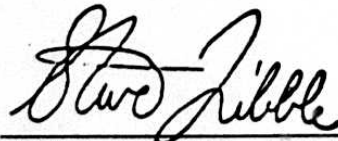

It is, therefore,

ORDERED by the Florida Public Service Commission that the proposed tariffs filed by Central Telephone Company of Florida and United Telephone Company of Florida to introduce coin line service are approved, with an effective date of April 11, 1994. It is further

ORDERED that, unless a person whose interests are substantially affected by the tariffs approved herein files a petition in the form and by the date specified in the Notice of Further Proceedings or Judicial Review, this Order shall become final and this docket shall be closed on the following date. It is further

ORDERED that, if a protest is filed on or before the date set forth in the Notice of Further Proceedings or Judicial Review, this tariff shall remain in effect, with any increase held subject to refund pending the resolution of the protest.

By ORDER of the Florida Public Service Commission this 28th day of March, 1994.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

The Commission's decision on this tariff is interim in nature and will become final, unless a person whose substantial interests are affected by the action proposed files a petition for a formal proceeding, as provided by Rule 25-22.036(4), Florida Administrative Code, in the form provided by Rule 25-22.036(7)(a)(d) and (e), Florida Administrative Code. This petition must be received by the Director, Division of Records and Reporting at his office at 101 East Gaines Street, Tallahassee, Florida 32399-0870, by the close of business on April 18, 1994.

In the absence of such a petition, this order shall become final on the day subsequent to the above date.

Any objection or protest filed in this docket before the issuance date of this Order is considered abandoned unless it satisfies the foregoing conditions and is renewed within the specified protest period.

If this Order becomes final on the date described above, any party adversely affected may request judicial review by the Florida Supreme Court in the case of an electric, gas or telephone utility or by the First District Court of Appeal in the case of a water or wastewater utility by filing a notice of appeal with the Director, Division of Records and Reporting and filing a copy of the notice of appeal and the filing fee with the appropriate court. This filing must be completed within thirty (30) days of the date this Order becomes final, pursuant to Rule 9.110, Florida Rules of Appellate Procedure. The notice of appeal must be in the form specified in Rule 9.900(a), Florida Rules of Appellate Procedure.
