1. The audit for Plant Crist resulted in an adjustment to decrease the book balance by 14,231.32 tons amounting to \$645,649.37.
2. The audit for Plant Smith resulted in no adjustment to the books since the difference of .74% was less than the 3% allowance established by the Florida Public Service Commission (ADB 80-3).
3. The audit for Plant Scholz resulted in an adjustment to increase the book balance by 2,890.33 tons amounting to \$127,603.94.
