DATE: April 11, 1994
TO: WILLIAM TALBOTT, EXECUTIVE DIRECTOR
FROM: CHARLES H. HILL, DIRECTOR, DIVISION OF WATER AND WASTEWATER
 SUZANNE SUMMERLIN, BUREAU CHIEF, DIVISION OF LEGAL SERVICES *940323*
RE: DOCKET NO. *940323*-WU; REQUEST FOR EXEMPTION FROM FLORIDA PUBLIC SERVICE COMMISSION REGULATION FOR PROVISION OF WATER SERVICE IN HIGHLANDS COUNTY BY HOUSE OF BENEFITS MINISTRY.

Docket No. 940232-WU was opened to process the request for exemption from Florida Public Service Commission regulation. After review of the application, staff discovered that Docket No. 940179-WU had also been opened to process the request for exemption for House of Prayer Ministries Water Supply, which is the same applicant, using a different name. Apparently, the project engineer had submitted the first application (Docket No. 940179-WU). In addition, Joseph Cannon, Cannon & Sons Well Drilling Services, had submitted an application for this project, using the name House of Benefits Ministry. After discussion with the applicant, staff discovered the appropriate title for this is House of Prayer Ministries Water Supply. House of Benefits Ministry was the original name, but was later changed to House of Prayer Ministries Water Supply. However, when the second application was submitted, using a different title Docket No. 940232-WU was created.

This memorandum is to request that Docket No. *940323* ~~940232~~-WU be closed administratively and that all documents filed in that docket be transferred to Docket No. 940179-WU. Docket No. 940179-WU should keep the name House of Prayer Ministries Water Supply for request for exemption in Highlands County.
