**DATE:** April 11, 1994  
**TO:** Bill Talbott, Executive Director  
 Rob Vandiver, General Counsel  
**FROM:** Laura King, Division of Communications  
**RE:** Docket No. 940333-TC-Application for certificate to provide pay telephone service by Corporate Telemanagement Group, Inc.

The above referenced docket was inadvertently opened. After reviewing the application and speaking to the company liaison it was concluded the company was in error when applying for a certificate to provide pay telephone service. Corporate Telemanagement Group, Inc. provides long distance service to pay telephone providers, not pay telephone service. Given that no further business remains regarding this application, staff would request this docket be administratively closed.
