BEFORE
THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Expanded Interconnection) DOCKET NO. 921074-TP
Phase II and Local Transport)
Restructure)
_____) April 28, 1994

BELLSOUTH TELECOMMUNICATIONS, INC. D/B/A
SOUTHERN BELL TELEPHONE AND TELEGRAPH COMPANY'S
SECOND REQUEST FOR CONFIDENTIAL CLASSIFICATION

COMES NOW, BellSouth Telecommunications, Inc., d/b/a Southern Bell Telephone and Telegraph Company ("Southern Bell"), pursuant to Rule 25-22.006, Florida Administrative Code, and files its second request for confidential classification of information contained in response to Request No. 17 of Staff's Second Set of Interrogatories.

1. On March 3, 1994, the Staff filed its Second Set of Interrogatories ("Interrogatories") on Southern Bell.

2. On April 7, 1994, Southern Bell filed its notice of serving responses to Staff's Second Set of Interrogatories and its Second Notice of Intent to Request Confidential Classification ("Notice") on the Commission's Director of Records and Reporting. The Notice was required because Southern Bell's response to Request No. 17 of Staff's Second Set of Interrogatories contained information which is exempted from public disclosure pursuant to §§ 119.07 and 364.183, Florida Statutes.

3. Pursuant to Rule 25-22.006(3)(a), Southern Bell is, within the 21 days allowed by the Rule, filing its request for

FPSC-RECORDS/REPORTING

confidential classification of the information it contends is proprietary confidential business information.

4. Pursuant to Rule 25-22.006, Florida Administrative Code, Southern Bell is affixing as Attachment "A" a listing identifying the page and line number at which the confidential material found. Southern Bell has affixed as Attachment "B" two copies of the material in which the proprietary confidential business information has been redacted and appended hereto as Attachment "C" is one copy of the material with the proprietary confidential business information highlighted. The material for which confidential classification is sought is intended to be and is treated by Southern Bell as private and has not been disclosed.

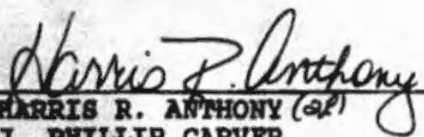

5. The information identified in Attachment "A" is proprietary confidential business information pursuant to §364.183, Florida Statutes and is exempt from the requirements of public disclosure of §199.07, Florida Statutes. Southern Bell's response to Staff's Interrogatory No. 17 contains information disclosing the material costs for various pieces of hardware and software purchased by Southern Bell from various suppliers. Disclosure of these material costs would impair the ability of Southern Bell and its affiliates to contract for such goods and services on favorable terms. This type of information is specifically classified as confidential business information pursuant to §364.183, Florida Statutes and is exempt from the Open Records Act. The Commission has previously granted requests

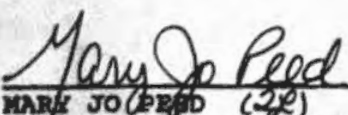

for confidential classification for similar information. See Order No. PSC-93-1280-CFO-TL at page 6, issued September 2, 1993. Therefore, this information is proprietary confidential business information pursuant to Section 364.183, Florida Statutes and is exempted from the requirement of public disclosure of Section 114.07, Florida Statutes.

WHEREFORE, Southern Bell requests that the Commission grant its request for confidential treatment.

Respectfully submitted this 28th day of April, 1994.

FPSC Docket 921074-TP
FPSC Staff's 2nd Set of Interrogatories

Explanation for Confidentiality Request

This information contains vendor specific pricing negotiated by Southern Bell and/or contains product evaluation information used by Southern Bell in contract negotiations. Public disclosure of this information would impair Southern Bell's ability to contract for goods and/or services on favorable terms. Disclosure of this data could cause potential competitive harm to Southern Bell. As such, this information is specifically classified as confidential business information pursuant to Section 364.183, Florida Statutes, and is exempt from the Open Records Act.

Location of Proprietary Material

<u>Item/ Page</u>	<u>Line/Column</u>
<u>Item No. 17</u>
