ORDER APPROVING BOUNDARY CHANGE

BY THE COMMISSION:

This docket was initiated pursuant to a request by Mr. Ray Afflerbach and two of the Cypresswood Homeowners Associations to have their entire Planned Unit Development (PUD) served from the Winter Haven exchange. Currently, a majority of the PUD is served from the Winter Haven exchange, but a portion is served from the Haines City exchange. The PUD consists of a large subdivision that is surrounded by a golf course and can only be accessed through one secured entrance.

By Order No. PSC-94-0078-FOF-TL, issued January 24, 1994, we required the Company to survey the Cypresswood subscribers who are currently served from the Haines City exchange to determine if they are in favor of moving to the Winter Haven exchange. The ballot was to follow the same guidelines as for Extended Area Service (EAS). Having reviewed the survey results, we find that the ballot passed overwhelmingly.

GTEFL indicates that there have been complaints regarding the boundary for a long time and that the Company is willing to absorb the cost to move the remaining Cypresswood subscribers into the Winter Haven exchange. The Company requests 90 days to physically change the facilities in order to move the remaining subscribers.

Thus, the Company shall complete the boundary change within 90 days from the date of the issuance of this Order. GTEFL shall file tariffs reflecting this boundary change prior to the transfer. These tariffs shall go into effect without further Commission action.

GTEFL has confirmed that it has current editions of the Winter Haven directory available to distribute to the Cypresswood customers who will be changing exchanges and we find this to be appropriate.

Therefore, it is

ORDERED that the boundary between the Haines City exchange and the Winter Haven exchange shall be moved so that the Cypresswood PUD subscribers currently served from the Haines City exchange will be served from the Winter Haven exchange. It is further

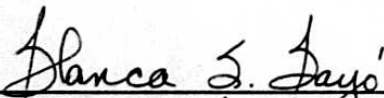

ORDERED that the boundary change shall be completed within 90 days from the date of the issuance of this Order. It is further

ORDERED that GTEFL shall provide the Cypresswood customers involved in the change with a current edition of the Winter Haven directory. It is further

ORDERED that GTEFL shall file tariffs reflecting this boundary change prior to the transfer. These tariffs shall go into effect without further Commission action.

ORDERED that Docket No. 931005-TL is hereby closed but shall be monitored to ensure that proper tariffs are filed.

By ORDER of the Florida Public Service Commission, this 29th day of April, 1994.
