BELLSOUTH TELECOMMUNICATIONS, INC.'S D/B/A  
SOUTHERN BELL TELEPHONE AND TELEGRAPH COMPANY'S  
RESPONSES AND OBJECTIONS TO IAC'S SECOND  
SET OF DATA REQUESTS TO SOUTHERN BELL

COMES NOW, BellSouth Telecommunications, Inc., doing business as Southern Bell Telephone and Telegraph Company ("Southern Bell" or "Company") and files pursuant to Rules 25-22.04, Florida Administrative Code and Rule 1.350, Florida Rules of Civil Procedure, its Objections and Responses to Interexchange Access Coalition's ("IAC") Second Set of Data Requests to Southern Bell.

GENERAL RESPONSE AND OBJECTIONS

1. Southern Bell objects to IAC's definition of "document" or "documents". IAC's definition is overly broad and objectionable pursuant to the standards adopted in Caribbean Security Systems v. Security Control Systems, Inc., 486 S.2d. 654 (Fla. App. 3rd. Dist. 1986)

SPECIFIC RESPONSES

2. Subject to the general objection, which is incorporated by reference into the specific responses made herein, Southern Bell responds to the individual numbered requests contained in IAC's 2nd Set of Data Requests as follows:

A. In response to Request No. 1, Southern Bell objects to this request on the grounds that the request is overly broad and not sufficiently limited in scope as the request is ~~not limited~~

FPSC-RECORDS/REPORTING

to expanded interconnection and local transport restructure. Therefore, the request is unduly burdensome. Further, portions of the request are irrelevant and thus not likely to lead to the discovery of admissible evidence. Lastly, Southern Bell objects to this request on the grounds that some of the documents responsive to this request contain proprietary confidential business information. Without waiving its objections, Southern Bell will produce documents responsive to this request pertaining to switched interconnection, local transport restructure and switched access services pursuant to the protective agreement executed which has been between the parties.

Respectfully submitted this 2nd day of May, 1994.
