RE: DOCKET NO. 910529-TL - Request by PASCO COUNTY BOARD OF COUNTY COMMISSIONERS for extended area service between all Pasco County exchanges.

Issue 1: Recommendation that the Commission grant GTEFL's Motion for Partial Modification of Order No. PSC-92-0158-FOF-TL. In addition, GTEFL and United should be required to send bill inserts to the affected customers explaining the United States District Court for the District of Columbia's decision. The bill inserts should be filed with staff for review within ten days of the issuance date of the order. (Southern Bell and GTEFL have already provided notice to their Brooksville/Hudson customers as a result of the Court's earlier decision to deny the \$.25 plan on Southern Bell interLATA routes; therefore, no further notice is required on this route.) Staff also recommends that the Dade City/Tampa-North, Hudson/Brooksville and San Antonio/Tampa-North interLATA routes be reevaluated at the conclusion of the Commission staff's review of EAS problems, including alternative toll plans in Docket No. 930220-TL (EAS Rulemaking).
