ORDER GRANTING INTERVENTION

BY THE COMMISSION:

By petition, dated May 19, 1994, The Center for Energy and Economic Development has requested permission to intervene in this proceeding. Having reviewed the petition, I find that it should be granted. Furthermore, any decision on the Legal Environmental Assistance Foundation Inc.'s Motion to Strike Pre-filed Testimony is premature at this time. The appropriate time to consider the admission of CEED's testimony is the time when CEED seeks to introduce it into the record of this proceeding.

Any pleadings filed after Monday, May 23, 1994, were not considered because they were untimely or unauthorized.

It is, therefore,

ORDERED by Chairman J. Terry Deason, as Prehearing Officer, that the Petition to Intervene filed by The Center for Energy and Economic Development is hereby granted. It is further

ORDERED that all parties to this proceeding shall furnish copies of all testimony, exhibits, pleadings and other documents which may hereinafter be filed in this proceeding, to:

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
