ORDER INDICATING EXEMPT STATUS  
OF THE REDDING UTILITY AND CLOSING DOCKET

BY THE COMMISSION:

On March 18, 1994, Waste Management of Pasco (Waste Management) filed an application with this Commission for recognition of its exempt status, pursuant to Section 367.022(6), Florida Statutes. Waste Management is located at 14201 State Road 54, Odessa, Florida. Mr. Kim Egelseer, Division President, filed the application on behalf of Waste Management.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.022(6), Florida Statutes, and Rules 25-30.055 and 25-30.060, Florida Administrative Code. Upon review of the application, it was determined that the building in which Waste Management is located is owned by Charles E. and Rose Mary Redding (the Reddings). The Reddings are in the process of expanding the water system which serves the building in which Waste Management is housed. It was also determined that the system does not qualify for exemption pursuant to Section 367.022(6), Florida Statutes.

On May 11, 1994, the Reddings refiled the application requesting recognition of the exempt status of their system (The Redding Utility), pursuant to Section 367.022(5), Florida Statutes. That Section states that an entity qualifies for exemption from Commission regulation if it provides service solely to its tenants, and there are no specific charges for the utility service. The application indicates that The Redding Utility provides water service only to its tenants and the service territory is limited to the building at 14201 State Road 54, Odessa, Florida. Also, the charge for water service is included as a nonspecific portion of the monthly rent. Wastewater service is provided by septic tank.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, the Reddings acknowledged that they are aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based upon the facts as represented, we find that The Redding Utility is exempt from Commission regulation, pursuant to the provisions of Section 367.022(5), Florida Statutes. However, should there be any change in circumstances or method of operation, the owner of The Redding Utility or any successor in interest must inform the Commission within 30 days of such change so that its exempt status may be reevaluated.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, The Redding Utility, Post Office Box 251, Odessa, Florida 33556-0251, is exempt from Commission regulation, pursuant to the provisions of Section 367.022(5), Florida Statutes. It is further

ORDERED that should there be any change in circumstances or method of operation, the owner of The Redding Utility or any successors in interest, shall inform this Commission within 30 days of such a change so that we may reevaluate its exempt status. It is further

ORDERED that this Docket is hereby closed.

By ORDER of the Florida Public Service Commission, this 27th day of June, 1994.
