 RE: Request for Confidentiality *Qad*

In conjunction with the Semi-Annual Fuel proceedings, Tampa Electric filed a copy of a coal supply contract between themselves and Consolidated Coal Company. Staff requested to review this document as a part of normal discovery in the Fuel docket, 940001-EI. In order to avoid having the document filed as confidential, Tampa Electric filed a copy of the document under a Notice of Intent to Request Confidentiality. This allowed Staff to review the document for a period of 21 days without requiring TECO to actually request confidential status.

Having sufficiently reviewed the material, Staff requests that the document, #06972-<sup>94</sup>~~A~~, be returned to Tampa Electric Company.
