ORDER INDICATING THE EXEMPT STATUS OF TIMBERRIDGE
WATER AND SEWER, INC., AND CLOSING DOCKET

BY THE COMMISSION:

On April 28, 1994, Timberridge Water and Sewer, Inc. (Timberridge) filed a request for recognition of its exempt status, pursuant to Section 367.022(7), Florida Statutes. Timberridge is located at 9848 Southwest 110th Street, Ocala, Florida. Mr. Charles H. Hand, Timberridge's President, filed the application on behalf of Timberridge. The primary contact person is Mr. Dyer T. Mitchell, located at Post Office Box 6000, Ocala, Florida 34478.

Section 367.022(7), Florida Statutes, states that nonprofit corporations, associations, or cooperatives providing service solely to members who own and control such nonprofit entities are exempt from Commission regulation. Before an exemption of this nature may be granted, the applicant requesting the exemption must file with the Commission a statement specifying the following: that the corporation is nonprofit; providing service solely to the members who own and control it; whether it provides water service, wastewater service, or both; who will do the billing; and the service territory. Additionally, the applicant must submit its Articles of Incorporation as filed with the Secretary of State and its Bylaws. These documents must show clearly the requirements of membership, the members' voting rights, and the circumstances under which control passes to the nondeveloper members.

In its application, Timberridge stated that it is a nonprofit corporation organized pursuant to Chapter 617, Florida Statutes; that it will provide water and wastewater service solely to its members who own and control it; and that it will provide water and wastewater service for which it will provide its own billing. The service area is specified as the Timberridge complex. Timberridge provided a recorded warranty deed granting it the use of the land upon which the facilities are located, thereby establishing proof of ownership of the facilities and continued use of the land where the facilities are located.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Hand acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based upon the facts as represented, we find that Timberridge is exempt from Commission regulation pursuant to the provisions of Section 367.022(7), Florida Statutes. However, should there be any change in circumstances or method of operation, a representative of Timberridge must inform the Commission within thirty days of such change, so that we may reevaluate Timberridge's exempt status.
