

M E M O R A N D U M

#25

August 15, 1994

TO: CHAIRMAN J. TERRY DEASON  
FROM: MAGGI O'SULLIVAN, DIVISION OF LEGAL SERVICES  
RE: DOCKET NO. 931111-SU  
REQUEST FOR EMERGENCY DEFERRAL

*Maggi*

At 3 p.m. this afternoon, I received a telephone call from Mr. Thomas Adams, an individual who filed a protest in this docket. Mr. Adams had planned to attend the August 16, 1994, Agenda Conference in order to address the Commission on Item No. 25, a motion to dismiss filed by Resort Village Utility.

Mr. Adams resides on St. George Island. He has informed me that due to Tropical Storm Beryl, the roads near his residence have become impassible and he will be unable to travel to Tallahassee to attend the Agenda Conference. Mr. Adams has requested that the agenda item be deferred for two weeks in order that he may attend the conference.

The deferral of this item may result in the need to reschedule the hearing set in this docket. If the utility's motion to dismiss is denied, there will not be sufficient time for parties to file a testimony by the October 24, 1994, hearing date. However, given the emergency nature of the request, Staff recommends that Mr. Adams' request for a deferral be granted, and that Item No. 25 be deferred to the August 30, 1994, Agenda Conference.

cc: Mary Bane, Deputy Technical Director  
Division of Records and Reporting  
Division of Water and Wastewater (Golden, Messer)
