UNITED TELEPHONE COMPANY OF FLORIDA'S REQUEST
FOR CONFIDENTIAL CLASSIFICATION OF REVISED DOCUMENT

United Telephone Company of Florida ("Sprint/United-Florida" or the "Company"), by and through its undersigned counsel, and in accordance with Section 25-22.006, Florida Administrative Code, files its Request for Confidential Classification, Revised Document No. 3, pages 43, 48, 49, 91, 228, 233, 234 and 281, of Attachment "A" to its Request for Confidential Classification, filed June 28, 1994, and says:

1. Revised Document No. 3, pages 43, 48, 49, 91, 228, 233, 234 and 281, of Attachment "A" reflects United's cost studies that analyze the cost to the Company to provide special access DS-1 and DS-3 facilities used for intrastate private line and special access services. The highlighted, unredacted portions of these documents should be considered confidential because disclosure of that information would harm the Company's ratepayers and/or the business operations of the Company.

2. The line-by-line and page-by-page justification required by Section 25-22.006(4), Florida Administrative code, including statements concerning how the ratepayers and/or the business operations of the Company will be harmed if this information is disclosed to the public, is attached hereto and incorporated herein by reference as Attachment "B."

FPSC-RECORDS/REPORTING

3. The information in Attachment "A" is intended to be and is treated by Sprint/United-Florida as private, confidential information and has not been disclosed to the public.

WHEREFORE, Sprint/United-Florida respectfully requests that the Commission issue an order declaring that the highlighted, unredacted information in the revised documents in Attachment "A" is proprietary confidential business information and exempt from disclosure under the public records laws of the State of Florida.

DATED this 24th day of August, 1994.

Note 1: This information consists of a variety of cost factors and investment data that are essential to the development of the Company's Light Link Cost Study. This data is not readily available elsewhere and depends upon a variety of Company conducted empirical analyses and is valuable to the Company's operations and customers. Because it is not readily available elsewhere, it would also be valuable to the Company's competitors as they develop their pricing strategies. As such, public disclosure of this proprietary confidential business information would harm the Company's operations and customers.
