

NOTICE IS HEREBY GIVEN that the Florida Public Service Commission has issued an order disposing of the petition for declaratory statement filed by Robert A. Sarles on June 15, 1994. The following is a summary of the agency's disposition of the petition: Because Sarles alleged that Gainesville Regional Utilities' rates are discriminatory and because the issue raised in Sarles' petition concerns all customers living outside the city limits of Gainesville and not just the petitioner in his particular circumstances, the Commission treated the matter as a complaint rather than as a request for a declaratory statement. The commission found that the utility's charges did not violate Rule 25-9.0525, F.A.C., and dismissed the complaint. DOCKET NO. 940647-EM.
