ORDER INDICATING NONJURISDICTIONAL STATUS
OF GLENWOOD DEVELOPMENT, INC. AND CLOSING DOCKET

BY THE COMMISSION:

On August 18, 1994, Glenwood Development, Inc. (Glenwood) filed an application with this Commission for recognition of its nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. Glenwood owns the water system and the building it serves located at 3800 Southwest 74th Avenue, Ocala, Florida. Mr. Frank Tona, President/Owner and primary contact person, filed the application on behalf of Glenwood.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060(2) and (3)(j), Florida Administrative Code.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

According to Glenwood's application, water service is provided only to the building located at 3800 Southwest 74th Avenue, Ocala, Florida, there is no charge for providing the service, and all costs of providing service are treated or recovered as operational expenses. Wastewater service is provided by septic tank.

FPSC-RECORDS/REPORTING

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Tona acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based on the facts as represented, we find that Glenwood is not a utility pursuant to the provisions of Section 367.021(12), Florida Statutes. Accordingly, Glenwood is not subject to this Commission's jurisdiction. However, should there be any change in circumstances or method of operation, the owner of Glenwood or any successors in interest, must inform the Commission within 30 days of such change so that its nonjurisdictional status may be reevaluated.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Glenwood Development, Inc., Post Office Box 771104, Ocala, Florida 34477, is not a water utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. It is further

ORDERED that should there be any change in circumstances or method of operation, the owner of Glenwood Development, Inc. or any successors in interest, shall inform this Commission within 30 days of such a change so that we may reevaluate Glenwood's nonjurisdictional status. It is further

ORDERED that this Docket is hereby closed.

By ORDER of the Florida Public Service Commission, this 13th day of October, 1994.
