part Southern Bell's Request for Confidential Classification of information contained in these exhibits. (Order No. PSC-93-0823-CFO-TL) Specifically, the Commission approved Southern Bell's request for confidential classification for material containing internal audit information.

3. Under the provision of Rule 25-22.006 (8) (a), an order granting confidential classification is effective for 18 months. Therefore, the confidential classification granted in this Order expires on December 1, 1994. The Commission may, however, extend the period of confidentiality for good cause shown.

4. The information in question remains in the possession of the Staff.

5. The reasons Southern Bell asserted in support of confidential treatment in its original motion continue to pertain. Specifically, there is still a need to protect internal audit information from disclosure.

6. For the reasons set forth above and in the original Request for Confidential Classification filed on February 17, 1993, Southern Bell hereby requests that this Commission enter an Order extending the period of confidential classification for an additional 18 months, or for any longer period of time that the documents remain within the possession of staff.

WHEREFORE, for the reasons set forth above, Southern Bell respectfully requests the entry of an Order extending the period of confidential classification as described above.

Respectfully submitted this 1st day of December, 1994.
