Re: Agenda Conference - Sanlando Utilities Docket No. 930256-WS.

Dear Maggi:

We received a Notice dated November 23, 1994 in our office on November 28, 1994 and which first came to my attention on November 29, 1994 that the Stipulation between the parties had been set on the agenda docket for December 6, 1994.

The Case Assignment and Scheduling Record for this docket has an agenda conference set for December 20, 1994 and everyone was operating on the assumption that the Stipulation would come before the Commission on that date.

I have spoken to Jack Shreve of the Office of Public Counsel, Robert Taylor representing the objectors in this matter, Nancy Bernard representing the St. John's River Water Management District and Charles Lee representing the Audubon Society and they have all expressed a desire to have this matter rescheduled for the Agenda Conference on December 20, 1994. Several of them will not be available on December 6, 1994.

All are in agreement to reschedule this matter to the 20th of December and I am hereby requesting that it be rescheduled to the 20th. If you have any questions regarding this matter please let me know immediately. I would appreciate hearing from you no later than Monday, December 5, 1994 as to whether or not this matter will be rescheduled as I am requesting. Thank you for your attention to this request.

Very truly yours,

Cleatus J. Simmons
