AMENDATORY ORDER

BY THE COMMISSION:

In Order No. PSC-95-0018-FOF-PU, issued in Docket No. 941165-PU, on January 5, 1995, we denied Peoples Gas System, Inc.'s Motion to Dismiss Tampa Electric Company's counter-complaint. We granted, in part, Peoples Gas System's Motion to Sever issues raised in the counter-complaint to other dockets. Only issues pertaining specifically to the Meadow Pointe subdivision were retained in Docket No. 941165-PU.

Upon review of Order No. PSC-95-0018-FOF-PU, we believe the order contains a scrivener's error relating to the severance of issues pertaining to the cost-effectiveness of Peoples' conservation programs. Therefore, through this amendatory order, we correct Order No. PSC-95-0018-FOF-PU, issued in Docket No. 941165-PU, on January 5, 1995. On Page 4 of the original order, the last sentence of Paragraph 2 states, "Other issues concerning the cost-effectiveness of Peoples' conservation programs are removed to Docket No. 941104-EG." The purpose of this amendatory order is to clarify that these other issues will not be removed to Docket No. 941104-EG, but rather will be removed to the successor dockets to Docket No. 941104-EG, which will be established to evaluate the cost-effectiveness of gas conservation programs.

Upon consideration of the above, it is

ORDERED that Order No. PSC-95-0018-FOF-PU is hereby amended as described in the body of this order.

ORDERED that Order No. PSC-95-0018-FOF-PU is reaffirmed in all other respects.
