 RE: Request for Confidentiality

In conjunction with the Semi-Annual Fuel proceedings, Tampa Electric filed documents relating to a coal supply contract between themselves and Peabody Coal Sales, Inc. Staff requested to review this document as a part of normal discovery in the Fuel docket, 950001-EL. In order to avoid having the document filed as confidential, Tampa Electric filed a copy of the document under a Notice of Intent to Request Confidentiality. This allowed Staff to review the document for a period of 21 days without requiring TECO to actually request confidential status.

Having sufficiently reviewed the material, Staff requests that the documents, #00145-95, #00146-95, #00147-95 and #00148-95, be returned to Tampa Electric Company.
