FROM: DIVISION OF ELECTRIC & GAS (MEETER, SHINE) *MS RJ*  
DIVISION OF LEGAL SERVICES (PALECKI) *MM CK TLT*

RE : DOCKET NO. 941170-EG - PETITION FOR APPROVAL OF  
MODIFICATIONS TO FLORIDA POWER & LIGHT COMPANY'S DEMAND  
SIDE MANAGEMENT PLAN

AGENDA: MARCH 7, 1995 - REGULAR AGENDA - TARIFF FILING - *JDJ*  
INTERESTED PERSONS MAY PARTICIPATE

CRITICAL DATES: 60-DAY SUSPENSION DATE: APRIL 1, 1995

SPECIAL INSTRUCTIONS: I:\PSC\EAG\WP\941170.RCM

**ISSUE 1:** Should the General Service Load Control (GSLC) and Commercial Industrial Load Control (CILC) tariff sheets (Sheet Nos. 8.109-8.110, 8.650-8.659, and 9.490-9.492) filed with Florida Power and Light Company's (FPL) petition for approval of its modifications to its Demand Side Management Plan be suspended?

**RECOMMENDATION:** Yes.

**STAFF ANALYSIS:** Staff is recommending that the tariff sheets be suspended to provide for sufficient time for discovery on the cost-effectiveness of these programs and the appropriateness of modifications to the CILC rate schedules. FPL is adding a new program, GSLC, and proposing significant changes to its CILC program. The tariff sheets also need to be suspended so that FPL can notify its CILC customers that it has proposed changes in its CILC rate schedule and program agreement as required by Rule 25-6.0438(4)(c), Florida Administrative Code.

**ISSUE 2:** Should this docket be closed.

**RECOMMENDATION:** No.

**STAFF ANALYSIS:** Further action in this docket will be necessary.
