**PROPOSAL FOR IMPLEMENTATION OF \$25 MILLION REDUCTION BY  
LOCALS 3121, 3122, 3107 COMMUNICATION WORKERS OF AMERICA, AFL-CIO**

COME NOW Interested Persons Locals 3121, 3122 and 3107  
Communication Workers of America, AFL-CIO ("CWA Locals"), by and  
through their undersigned counsel, and submit their Proposal for  
Implementation of \$25 Million Reduction, as follows:

1. On or about January 12, 1994 Bell South  
Telecommunications, Inc. ("Southern Bell") filed a motion seeking  
Florida Public Service Commission Approval of the Implementation  
Agreement for Portions of the Unspecified Rate Reductions in the  
Stipulation and Agreement Between the Office of Public Counsel and  
Southern Bell.

DOCUMENT NUMBER-DATE  
02240 FEB 27 88  
FPSC-RECORDS/REPORTING 0047

2. The Commission has approved the Joint Motion.

3. Pursuant to paragraph four of the Implementation Agreement, interested persons shall submit their proposals on how such unspecified reductions should be implemented not less than 120 days prior to the scheduled effective date of each reduction.

4. It appears that the 1994 \$10 Million in unspecified reduction is scheduled for an October 1, 1995 effective date.

5. The three (3) CWA locals are duly organized labor organizations which represent some 4,000 Southern Bell employees (almost all of whom are also Southern Bell customers). As the exclusive bargaining agent for the employees (rate payors), the CWA locals clearly fall within the definition of "any other interested persons." Further, the three (3) CWA Locals are all telephone customers of Southern Bell.

6. The CWA locals request a hearing on the instant proposal.

7. Further, the CWA locals request to be notified of, and participate in, the rate design hearings regarding the 1995 \$25 million non-specifically allocated reduction mandated by paragraph four of the Implementation Agreement.

8. The CWA locals propose that the Commission consider using the \$25 Million reduction as follows:

(A) \$5 Million rate reduction to the basic "lifeline" senior citizens telephone service.

(B) \$5 Million rate reduction to the basic residential telephone service.

(C) \$5 Million rate reduction to the basic telephone service to any organization that is a non-profit with 501(c) tax

exempt status.

(D) \$5 Million rate reduction to the basic telephone service of any public school, community college and state university.

(E) \$5 Million rate reduction for telephone service of any qualified disabled ratepayer.

---

MARK RICHARD, ESQ.
