

MEMORANDUM

February 24, 1995

TO: Division of Records and Reporting (K. Smith) *al*
FROM: Division of Auditing and Financial Analysis (Vandiver, Freeman) *F 1988*
SUBJECT: Docket No. 940002-EG; Florida Power And Light Company
Conservation Audit for the period October 1, 1993 to
September 30, 1994; Audit Control No. 94-154-4-1;
Document 12938-94. *[Signature]*

During the course of this audit, the utility requested that portions of staff's audit work papers, Document No. 12938-94, be held in confidential status.

The audit report, filed December 23, 1994, states the audit exit conference was waived by the utility. The confidential working papers were filed December 27, 1994. More than twenty-one days have passed since the filing of the confidential working papers, and the utility has not filed a request for confidential classification. Therefore pursuant to Rule 25-22.006(3)(a), we recommend that the failure to file a request constitutes a waiver of confidentiality and that the audit working papers contained in Document 12938-94 be declassified.
