ORDER APPROVING TARIFF FILING

BY THE COMMISSION:

Central Telephone Company of Florida (Centel or the Company) filed proposed revisions to its General Subscriber Service Tariff on January 18, 1995. The purpose of its filing was to extend the scheduled date for the discontinuation of Speed Call 30, one of its services.

By Order No. PSC-93-1750-FOF-TL, issued December 8, 1993, the Commission approved Centel's tariff filing to obsolete all custom calling features and packages that contained Speed Call 30. This service was to be discontinued by January 1, 1995. However, because Centel failed to provide timely notice, eight hundred six (806) of its customers would have been adversely effected if Speed Calling 30 had been discontinued on schedule.

Originally, Centel requested an extension of Speed Call 30 until March 15, 1995. However, with this cut-off date, customers using the service would not have been provided with adequate time to seek an alternative service. The Company agreed to change the date for discontinuation to August 21, 1995.

Upon consideration, Centel's tariff request to extend the date for the discontinuance of Speed Call 30 until August 21, 1995 is approved, effective February 21, 1995. In addition, Centel shall obtain approval from this Commission of the customer notification letters prior to distribution. The notice to customers shall be mailed within 45 days of the date that this Order becomes final.

PSC-RECORDS/REPORTING

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

The Commission's decision on this tariff is interim in nature and will become final, unless a person whose substantial interests are affected by the action proposed files a petition for a formal proceeding, as provided by Rule 25-22.036(4), Florida Administrative Code, in the form provided by Rule 25-22.036(7)(a)(d) and (e), Florida Administrative Code. This petition must be received by the Director, Division of Records and Reporting, 101 East Gaines Street, Tallahassee, Florida 32399-0870, by the close of business on March 23, 1995.

In the absence of such a petition, this order shall become final on the day subsequent to the above date.

Any objection or protest filed in this docket before the issuance date of this Order is considered abandoned unless it satisfies the foregoing conditions and is renewed within the specified protest period.

If this Order becomes final on the date described above, any party adversely affected may request judicial review by the Florida Supreme Court in the case of an electric, gas or telephone utility or by the First District Court of Appeal in the case of a water or wastewater utility by filing a notice of appeal with the Director, Division of Records and Reporting and filing a copy of the notice of appeal and the filing fee with the appropriate court. This filing must be completed within thirty (30) days of the date this Order becomes final, pursuant to Rule 9.110, Florida Rules of Appellate Procedure. The notice of appeal must be in the form specified in Rule 9.900(a), Florida Rules of Appellate Procedure.
