Issue 3: Recommendation that Northeast's request to write off the unrecovered investment associated with its present DCO switch processor and related equipment by the end of 1995 be approved.

APPROVED

Issue 4: Recommendation that the appropriate disposition of \$160,968, consisting of the \$158,432 in intrastate revenue identified in Issue No. 1 plus \$2,536 in interest accrued through December 21, 1993, should be applied to the Stromberg-Carlson DCO Processor and associated equipment unrecovered intrastate investment of \$305,119. The \$160,968 will be treated as a reduction to rate base in 1994.

APPROVED

Issue 5: Recommendation that Northeast's intraLATA subsidy receipts should be reduced by \$158,000 annually, effective July 1, 1995. The intraLATA subsidy pool receipts and payments shown on Attachment C of staff's memorandum dated February 23, 1995 should be approved, effective July 1, 1995.

APPROVED

Issue 6: Recommendation that the Commission treat Southern Bell's reduced subsidy payment as an additional set aside amount to be disposed of in Docket No. 920260-TL.
