Submitted for filing:  
March 13, 1995

**FLORIDA INDUSTRIAL COGENERATION ASSOCIATION'S**  
**NOTICE OF VOLUNTARY WITHDRAWAL**

The Florida Industrial Cogeneration Association ("FICA"), by and through its undersigned attorney, files this Notice Of Voluntary Withdrawal as a party to the captioned proceeding and says:

1. FICA's October 26, 1994 Petition For Leave To Intervene in this proceeding was granted on November 14, 1994 by Commission Order No. PC-94-1389-PC-EQ.
2. FICA's intervention in this proceeding was primarily for purposes of advocating clarification of certain provisions of Florida Power Corporation's (FPC) proposed curtailment plan, specifically with respect to certain language found on pages 4 and 5 of Appendix C to "Florida Power's Generation Curtailment Plan For Minimum Load Conditions".
3. By virtue of FPC's March 6, 1995 filing in this Docket, which revises the specific provisions which were of concern to FICA, the language and intent of FPC's curtailment plan have been clarified to FICA's satisfaction.
