

FLORIDA PUBLIC SERVICE COMMISSION

VOTE SHEET

DATE: March 21, 1995

RE: DOCKET NO. 930256-WS - Petition for limited proceeding to implement water conservation plan in Seminole County by Sanlando Utilities Corporation. (Deferred from the 3/7/95 Commission Conference)

Issue 1: Recommendation that the Commission should approve the revised stipulation proposed by the parties. While Staff recommends that the Commission approve the stipulation as submitted, staff believes that the parties should be placed on notice that the Commission is neither bound nor authorized to resolve disputes which arise from this stipulation.

**MODIFIED** *Approved with the modification that the Commission will not resolve disputes regarding the articles of incorporation or appointment of the chief operating officer. Also, the Commission will review the prudence of release of escrow funds as they relate to contract design and cost and expenses of operating the facility.*

Alternate Recommendation: Recommendation that the revised stipulation should be approved. The technical staff believes that the Commission should agree to resolve disputes among the parties as a last resort as contemplated in the stipulation.
