Re: Fuel and Purchased Power Cost Recovery Clause
with Generating Performance Incentive Factor;
FPSC Docket No. 950001-EI

Dear Ms. Bayo:

On March 8 and 9, 1995 the Commission conducted fuel and conservation cost recovery hearings. In the conservation docket the Commission voted to disallow certain conservation goal docket expenses. This vote slightly impacted Tampa Electric Company's Schedule E10, page 21 of 31, sponsored by Ms. Mary Jo Pennino in the fuel adjustment docket. Attached hereto are 15 copies of Schedule E10, page 21 of 31 (revised 3/10/95) which conforms the amounts shown for certain items on this schedule to the effect of the Commission's vote on the conservation goal docket related expenses. The amounts shown on this form for Conservation Revenues decreases by one cent as does the amount shown for Florida Gross Receipts Tax. The amounts shown for Total Revenues are two cents less on the revised Schedule E10 compared with the original. We would appreciate your incorporating this revised schedule in the official file of the Commission and distributing copies to recipients of the original filing within the Commission.

Please acknowledge receipt and filing of the above by stamping the duplicate copy of this letter and returning same to this writer.
