RE: CONSERVATION GOALS

VIA FACSIMILE

Please note that an informal meeting between Commission Staff and Parties has been scheduled at the following time and place:

**Monday, April 10, 1995, 10:30 a.m.
101 East Gaines Street
Fletcher Building, Room 122
Tallahassee, Florida 32399-0863**

The purpose of this meeting is to discuss commercial and industrial interruptible/load management and related programs proposed to meet a utility's conservation goals when these programs substantially enhance the utility's ability to compete with natural gas. The discussion will include whether the cost for these programs should be recovered through the conservation cost recovery clause or base rates. If you have any questions concerning this meeting, please contact Joe Jenkins at (904) 488-8501.
