Re: Docket No. 941101-EQ

Dear Ms. Bayó:

On March 30, 1995, Florida Power Corporation submitted its Motion to Compel Pasco County to respond to propounded discovery requests in the subject docket, since the County's response was due on March 21, 1995, and none had been received. On March 31, 1995, in an envelope postmarked March 29, 1995, Florida Power received Pasco County's responses and objections with an executed Certificate of Service dated March 21, 1995. While Florida Power finds this certification process questionable, it nonetheless requests that its Motion to Compel be withdrawn.
