

MEMORANDUM

APRIL 12, 1995

TO: ✓ Division of Records and Reporting (L. WILLIAMS) *a*  
FROM: Division of Auditing and Financial Analysis (Vandiver, Freeman) *F*  
SUBJECT: Docket No. 950003-GU; St. Joe Natural Gas Company;  
Purchased Gas Adjustment Audit for the period October 1,  
1993 to September 30, 1994; Audit Control No. 94-158-1-  
1; Document 00515-94. *pmj*

During the course of this audit, the utility requested that portions of staff's audit work papers, Document No. 00515-95, be held in confidential status. These working papers were filed with the Division of Records and Reporting on January 17, 1995 with a temporary confidential status.

The audit exit conference was held January 11, 1995. More than twenty-one days have passed since the exit conference, and the utility has not filed a request for confidential classification. Therefore pursuant to Rule 25-22.006(3)(a), we recommend that the failure to file a request constitutes a waiver of confidentiality and that the audit working papers, Document No. 00515-94, be declassified and returned to the Division of Auditing and Financial Analysis.
