FPSC-RECORDS/REPORTING

Dear Mr. Manning:

This letter responds to your request dated April 17, 1995 for the Commission to issue a declaratory ruling regarding compliance with Federal Laws 95-617 and 95-691.

The Commission can only consider petitions for declaratory statements with respect to those sections of the Florida Statutes as to which it has administrative and enforcement authority. Because that authority does not extend to any provisions of federal law, we are, unfortunately, not able to comply with your request for a declaratory ruling concerning the above cited Federal Laws.

Sincerely,

Susan F. Clark
