RE: Docket No. 941044-WS, Resolution of the Board of County Commissioners of Charlotte County Declaring Charlotte County Subject to the Provisions of Chapter 367, Florida Statutes

Dear Mr. Ilkow:

Attached is the form we spoke about over the phone for you to file an application to exempt Freedom Bible's water/wastewater service from regulation by the Florida Public Service Commission. If your church is providing water service to the public without charge and recovering the costs as operational expenses, then it is not considered a "utility" with respect to Florida Statute 367.021(12) and the Commission has no jurisdiction.

When filling out the application form, please include your position with the church or authority to sign for the church. The completed form should be returned to my attention by April 15th. If you have any questions, please call me at 904/488-8482.

Sincerely,

Pat Brady
