RECEIVED

Florida Public Service Commission
Division of Water and Wastewater

Dear Mr. Ilkow:

This letter is a follow-up to the March 13, 1995, letter sent by Ms. Patrica Brady, a regulatory analyst with the Commission. In her letter, Ms. Brady enclosed an application for exemption and requested that you return the completed form by April 15, 1995.

As of this date, the Commission has not received your completed form. While the Commission may determine that it does not have jurisdiction over your utility system, you are still obligated to file an application with this Commission. Failure to do so may result in a show cause order being issued. Therefore, please submit the completed application within ten days of receipt of this letter.

Please contact me or Patricia Brady if you have any questions about the application process.

Sincerely,

Margaret O'Sullivan
