SYMBOLS

The following symbols are used for the purposes indicated below:

- * - Indicates new or revised tariff sheet included with this filing.
- D - Delete or discontinue.
- I - Increase to a rate.
- M - Moved from another tariff location.
- N - New.
- R - Reduction to a rate.
- T - Change in text but no change in rate or regulation.

TARIFF FORMAT

A. Sheet Numbering - Sheet numbers appear in the upper right corner of the page. Sheets are numbered sequentially. However, new sheets are occasionally added to the tariff. When a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between sheets 14 and 15 would be 14.1.

B. Sheet Revision Numbers - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current sheet version on file with the Florida Public Service Commission. For example, the 4th revised Sheet 14 cancels the 3rd revised Sheet 14. Because of various suspension periods, deferrals, etc. the Florida Public Service Commission follows in its tariff approval process, the most current sheet number on file with the Commission is not always the tariff in effect. Consult the Check Sheet for the sheet currently in effect.
