Re: Docket 920260-TL (\$25 Million Rate Reduction)

Dear Mrs. Bayo:

On May 15, 1995, Southern Bell filed its \$25 Million Rate Reduction proposal to extend Expanded Calling Service (ECS) on various routes in Southern Bell's service area. Since the filing of this proposal, Southern Bell has been working with Public Counsel Jack Shreve and with our customers to further address their needs.

At the request and urging of the Public Counsel and of our customers, Southern Bell amends its original ECS filing to add the routes listed on the attachment to this letter.

The inclusion of these routes will result in an additional estimated rate reduction of \$6 Million.

Enclosed are fifteen copies of this proposal. A copy of this letter is enclosed. Please mark it to indicate that the original was filed and return the copy to me.

Sincerely,

Nancy H. Sims
