RE: Cancellation of Staff Issue Identification Meeting - August 3, 1995

VIA FACSIMILE

As you know, the Commission has received several motions in opposition to the protests filed in these dockets. We are awaiting responses to those motions, and when we have received them we will prepare a recommendation for the Commission. I don't think the Commission will consider the motions until the end of August, and therefore I am cancelling the issue meeting scheduled for August 3, 1995. I will reschedule an issue meeting after the Commission rules on the motions. Thanks.
