RE: Docket No. 941044-WS; Burnt Store Colony R.O. Association's request for exemption & Order No. PSC-95-0648-FOF-WS denying request for exemption.

Dear Mr. Gaynor,

Per your request during our conversation on Tuesday, September 5, 1995, enclosed is the second package for a grandfather application, along with a copy of the final order denying Burnt Store Colony R. O. Association's request for exemption, and ordering Burnt Store to file for a grandfather certificate within (90) days from the effective date of the order.

Please note that the (90) day time frame in which the grandfather application should have been received expired on August 25, 1995. The application currently enclosed must be received by this office no later than October 5, 1995. Failure to comply with the above referenced order may result in the Commission initiating show cause proceedings against the utility if it deems it appropriate. Therefore, Burnt Store should get the application in as soon as possible. The longer it waits, the more likely that a show cause will result.

Should you have further questions, feel free to contact me at (904) 413-6992 or Tim Vaccaro at (904) 413-6181.

Sincerely,

Angela Massey-Azpell
