9:30 a.m. - 5:00 p.m.
Room 152, Betty Easley Conference Center

PURPOSE

Section 166.231(9), Florida Statutes, states that a municipality may levy a tax on the purchase of telecommunication services. The Commission is required to publish statewide average rates for tax purposes annually, beginning on January 1, 1996. This workshop will be held to determine the method of data collection and the procedure the Commission intends to use to develop the average rates.
