SSU believes that these documents are within the scope of Section 367.156(3), Florida Statutes, and must be afforded protection as proprietary confidential business information.

2. By this Motion, SSU requests that the documents and information identified above and provided to OPC be granted the protection of a Temporary Protective Order as provided for by Rule 25-22.006(5)(c), Florida Administrative Code. This Temporary Protective Order will protect the documents and information from public disclosure until OPC completes its review of the materials and information. Once the review is completed, OPC will notify SSU of the documents and information it intends to use in this docket, and SSU, in accordance with Rule 25-22.006(5)(a), will request proprietary confidential treatment of those portions of the documents and information which are, in its opinion, entitled to such treatment. The remainder of any such documents and information which OPC has taken possession of pursuant to this Temporary Protective Order will be returned to SSU by OPC pursuant to Rule 25-22.006(5)(c).

WHEREFORE, SSU respectfully moves the Commission for a Temporary Protective Order covering the above described documents and information provided to OPC pursuant to the OPC discovery requests identified above.
