FPSC-RECORDS/REPORTING

Issue 3: Recommendation that the Commission approve the stipulation between Florida Power & Light Company and Peoples with the clarification letter incorporated therein.

APPROVED

Issue 4: Recommendation that an investigation be initiated with a management review and study of:

1. Whether the implementation of conservation programs by the electric and gas utilities, particularly for commercial/industrial customers, has complied with the Commission's policy of fuel neutrality.
 2. Whether the conservation programs of the electric and gas utilities, particularly for commercial/industrial customers, have resulted in the increased usage of electricity and natural gas.
- The management review and study should be conducted by the Division of Research and Regulatory Review with technical assistance as required from the Division of Electric and Gas. The results of the study should be brought back to the Commission.

APPROVED

Issue 5: Recommendation that the Commission should deny the request by Donnie Nolley to reverse its decision approving FPL's proposal to eliminate the solar water heating incentive plan and reinstate Order No. PSC-95-0691-FOF-EG as a final order. Mr. Nolley has not demonstrated either that he will suffer an injury in fact that is of sufficient immediacy to entitle him to a formal hearing under Section 120.57, F.S., or that his injury is of a type or nature that the proceeding is designed to protect.

APPROVED

Issue 6: Recommendation that the Commission's Proposed Agency Action Order No. PSC-95-0691-FOF-EG be reinstated as a final order and this docket closed.
