Dear Mr. Walker:

Oil Backout Audit Request - Period Ending September 30, 1995

The Florida Public Service Commission will review the oil backout for the period ending September 30, 1995 in accordance with Commission audit procedures. Auditors may select one or more accounts for detailed examination. Access may be requested to documents and records supporting affiliate company transactions that affect regulated operations. Staff auditors may also request to review the firm's external audit working papers for the most recent independent audit. Kathy Welch, the district office supervisor, (305) 470-5600, will coordinate this audit.

Rule 25-6.014(6), F.A.C., states that, "Upon direction of the Commission, or in the performance of delegated staff duties, any member of the Commission may make at any reasonable time a personal visit to the utility's offices or other places of business, and may inspect any facility, records, accounts, books, reports, and papers of the utility which may appear necessary in the discharge of Commission duties. During such visits the utility shall provide the staff member(s) with adequate and comfortable working and filing space, consistent with prevailing conditions and climate and comparable with the accommodations provided the company's outside auditors".

A copy of the final report will be mailed to the company liaison officer listed in the Commission Mailing Directory. Comments should be mailed to the Director of Records and Reporting within ten days after receipt.

Questions regarding the audit or staff conduct should be directed to Kathy Welch or myself.
