

The staff of the FLORIDA PUBLIC SERVICE COMMISSION announces a public workshop/seminar on 'green pricing' program design for electric utilities. This is a undocketed matter.

DATE AND TIME: 10:00 a.m. - 3:45 p.m., Wednesday, December 6, 1995.

PLACE: The Betty Easley Conference Center, Room 171, 4075 Esplanade Way, Tallahassee, Florida 32399-0850

PURPOSE: The purpose of this workshop/seminar is to offer several expert speakers who will provide information on green pricing to interested utilities, public interest groups, FPSC staff and others. Green pricing is a generic term describing strategies to incorporate renewable energy resources into the supply base of electric utilities. Invited experts will discuss strategies, market results, program design and implementation of successful green pricing programs around the country. Workshop participants will be invited to describe their own experiences with green pricing.
