FILED: NOVEMBER 17, 1995

PETITION FOR APPROVAL OF ENVIRONMENTAL
COST RECOVERY FOR PERIOD
ENDING SEPTEMBER 1995

Florida Power & Light Company ("FPL") hereby Petitions this Commission for approval of FPL's final Environmental Cost Recovery true-up amount of \$316,672 overrecovery for the April 1995 - September 1995 period and an overrecovery of \$583,626 as the adjusted net true-up amount to be carried forward to the April 1996 through September 1996 period. In support of this Petition, FPL states as follows:

1. The final \$316,672 Environmental Cost Recovery overrecovery for the period April 1995 - September 1995, was calculated in accordance with the methodology set forth in Schedule A-2 for the Fuel Cost Recovery Clause, attached to Order 10093 dated June 19, 1981. This calculation and the supporting documentation are contained in the prepared testimony of FPL witness B. T. Birkett, which is being filed together with the Petition and incorporated herein.

2. The adjusted net true-up for the period of an overrecovery of \$583,626 is the difference between the actual true-up of \$316,672 overrecovery and the estimated/actual true-up of \$266,954

underrecovery approved by the Commission at the August 1995 hearing.

WHEREFORE, Florida Power & Light Company respectfully requests the Commission to approve the net \$316,672 environmental cost recovery overrecovery as the final true-up amount for the period ending September 1995, and an overrecovery of \$583,626 as the adjusted net true-up amount to be carried forward to the period beginning April 1996.

DATED this 17th day of November, 1995.

Respectfully submitted,
